Auction Logistics from Mail Boxes Etc.

thesaleroom.com is the UK's leading online antiques and collectables bidding platform, hosting over 5,300 public auctions yearly, with more than 3.5 million lots being sold. A large proportion of the lots sold online need to be collected, packed and shipped to buyers across the world.

Auction Logistics from Mail Boxes Etc. has been working in partnership with thesaleroom.com since January 2016 to provide an integrated shipping solution for online bidders. With our wide network of over 150 Mail Boxes Etc. stores across the country, we help auctioneers provide a quick, easy and seamless delivery service to their bidders.

Our bespoke services are already available across many auctions on thesaleroom.com, supporting thousands of sales each year, with more than 20,000 lots collected annually, packed and safely delivered through Auction Logistics from Mail Boxes Etc.

What our auctioneers say about us:

“The new instant pricing service provided by thesaleroom.com makes it easier for our clients to buy and pay quickly online. Auction Logistics from MBE have consistently provided a reliable and efficient service and we are happy to recommend them.”
